"I opened your email, and I started crying. The photos are BEAUTIFUL. I LOVE THEM. I am very self-conscious from my facial scars, so I rarely take photos. When I see your portraits, you captured the way I would have the world see me: content and proud—at peace. I am honored to have these portraits. I can't wait to send them to my family. Thank you for documenting one of the most important days of my life... I shall cherish them and know they will be a family heirloom." -Carla

"What do you get when you put close to a dozen quirky, kitschy, Baltimore Hons in a cramped storage room with a phenomenal photographer? The essence of who we really are, that's what. Joe was such a joy to work with, and we loved his images so much we used a group shot as our marketing promo! Highly recommend." -Glenda, The Good Hon.

"We had a panoramic family photo done in December while we had all the family back in town for the holidays. We did it on short notice and with a lot of coordination. It went smoothly and Joe was very accommodating to our schedules. The photo turned out very nice and you could not tell that there were 6 different sets of pictures photo shopped together to make the one large photo. GREAT JOB!" - Tammy
